

Donation Guidelines

What We Accept

Appliances: Appliances in working condition are accepted. Please include owner's manuals if you have them.

Air Conditioners: Portable air conditioners and window units are accepted.

Bathroom Fixtures: Sinks, toilets, shower heads and other bathroom fixtures in good condition are accepted.

Building Supplies: Unused or gently used building materials, including lumber, insulation, roofing materials and siding are accepted. Should be in good condition and damage-free.

Cook Tops, Ranges, and Ovens: Functional cooktops, ranges, and ovens are accepted. Ensure they are clean and in working order before donating.

Electrical Supplies: Electrical supplies such as wires, outlets, switches and fixtures are accepted. Please ensure they are in good working condition and meet safety standards.

Fans: Gently used or new fans in working condition are accepted. Please include all necessary parts and ensure they are clean and functional.

Flooring: New flooring materials such as tiles, hardwood, laminate and carpet rolls are accepted. Donations should be clean, undamaged and unused.

Furniture: New and gently used furniture items such as sofas, chairs, tables and dressers are accepted. Donations should be clean, free from major damage and in usable condition.

Doors: Interior and exterior doors in good condition are accepted. Please ensure they are clean, free from damage and include necessary hardware.

Hardware: Hardware items such as doorknobs, hinges, locks and handles are accepted. Ensure all pieces are intact and in good condition.

Home Décor: Gently used or new home décor items such as wall art, vases and decorative accessories are accepted.

Kitchens: Full kitchens, kitchen cabinets, countertops, sinks and other kitchen fixtures in good condition are accepted. Ask us about our complementary kitchen removal service!

Lighting: Light fixtures, lamps and bulbs in good working condition are accepted. Ensure all electrical components are intact and functional.

Nails and Screws: New nails, screws and other fasteners in manufacturer's packaging with size specifications are accepted.

Paint: Unopened cans of paint in good condition are accepted. Please ensure they are not expired and meet safety regulations.

Televisions: Televisions in good working condition are accepted. Please include remote controls and ensure they are clean and functional.

Toilets: Clean and undamaged toilets in good working condition are accepted. Ensure all parts are intact and functioning properly.

Tools: Hand tools, power tools and toolboxes in good working condition are accepted. Please ensure they are clean, functional and suitable for reuse.

Tubs: Clean and undamaged tubs in good working condition are accepted. Please ensure they are free from cracks, chips or major damage.

Plumbing: Plumbing fixtures and supplies such as pipes, fittings and faucets are accepted. Items should be clean, undamaged and in good working condition.

Windows: New or gently used windows are accepted.
